

ORGANIC DOCUMENT

Have you ever read any important literary work that solicits *your* input? Well, these Ebooks and Articles do just that! Indeed, all my materials are unique “*Organic Documents.*” I welcome thoughtful challenges or enhancements *from you*, the reader. This results in the maturation of each document -thus becoming more and more valuable.

Here is how you can participate in the maturation of this project.

Send your challenges or enhancements to robincalamaio@yahoo.com . Be sure and tell me:

- a) What Work you are responding to
- b) The subheading (if I have one there)
- c) What phrase or sentence you are writing about, and
- d) Tell me if your material is a challenge or enhancement.

If you need more space than your text box allows, send your material in an attachment. Please keep any viruses to yourself.

Submissions that forward the value of this work will be added indefinitely. These will be identified in future editions as follows. A superscript will appear in the body of the text where the relevant addition applies. For example:

- ^{1e} - this is Endnote 1 and is an enhancement.
- ^{2c} - this is Endnote 2 and is a challenge.
- ^{4e+} - this is Endnote 4 and is a multiple enhancement.
- ^{6ce} - this is Endnote 6 and is a challenge and an enhancement.
- ^{tc} - this indicates a text change. This will be rare as I want the original document to remain intact.
- ^{9rw} - this is Endnote 9 and flags a reader to a Related Website.

As electronic documents, related web sites can be added as links. If you know of a website that should become a part of any of them, please submit the URL.

Future Editions

With your permission, notices of new editions to any Ebook or Article you download will be emailed to you. A new edition will have a minimum of five (5) new challenges or enhancements from the previous edition. Each new edition will have an introductory statement that identifies where these new edits are found and what type of edits they are (i.e., challenges, enhancements, etc.).

Agreement to Participate

When you send your material, you are agreeing to have all, or part, of your work incorporated without a claim to financial remuneration for future editions in which your work might appear.

Copyright

All Ebooks and Articles carry full copyright protections. As author, I, Robin Calamaio, grant you permission to download and print a personal copy of anything you want. But I do ask that full copies be made so as to avoid statements being taken out of context.

If you want to make copies to give to people other than yourself, I give you a conditional permission. These are the conditions:

- 1) These are to be given away for free. Please read, "*Why Do You Give All Your Work Away?*" for an explanation of my motivation. It is on www.freelygive-n.com "About the Author" page.
- 2) If you can, let me know which works you are giving to someone else. Also, *if* you can supply his/her email address, notices will be sent concerning other materials freely available, or ones yet to be completed. This will all remain free.
- 3) I also want to know of any distribution plan you come up with. If you feel the distribution of any of these materials is part of your personal ministry, your ideas may benefit others who are thinking the same thing. The sharing of your methods will be increasing your outreach, and if God does use these Ebooks and Articles to profit others, you will receive reward for your impact. We are all looking to Judgement Day.

I appreciate your cooperation.
